

# TLP Systems Upgrade Report

Version: 1.40.1

Project	Task	Requested By	Date	Description / Notes	Page 1 of 2
Base TLP and Technical Work	1293	TLP	09-Jan-20	Description: SVN Branching Notes:	
Base TLP and Technical Work	1296	TLP	14-Jan-20	Description: Concatenate Jasper report and termsAndCondition.PDF has now been released Notes:	
Base TLP and Technical Work	1315	Leslie Refrigerated	09-Feb-20	Description: The ability to define email lists for internal recipients of notifications has been provided Notes: A document describing this has been placed in DocMan	
Financial System	1285	Leslie Refrigerated	19-Dec-19	Description: A script has been released that allows any date entered to be checked to ensure it is not a future date. If so a warning will be displayed. Notes: A warning message is displayed but the entry is not blocked	
Financial System	1238	Leslie Refrigerated	15-Oct-19	Description: All Accounts Receivable Graph views now have titles Notes:	
Financial System	1314	Leslie Refrigerated	08-Feb-20	Description: A library of General Ledger Account searches has been provided Notes: It will be necessary for the searches to be set up in Global Parameters > Searches. A document detailing these has been put in DocMan	
Financial System	1318	Leslie Refrigerated	09-Feb-20	Description: Default Bank Account details can now be set up in the Global Parameters Notes: These defaults are automatically applied to Creditor Payments (although they can be over-ridden). If not filled in nothing is applied and manual entry is required.	
Transport Development 2020	1236	TLP	15-Oct-19	Description: A graph view has been applied to Management Reporting - Jobs Notes: This view shows revenue per week over time period of the search	
Transport Development 2020	1308	Lincoln Logistics Ltd	04-Feb-20	Description: The group pricing process now sets the Job ID on the Item Reference 6 allowing reference 1 to be set correctly. Notes:	
Transport Development 2020	1312	South East	05-Feb-20	Description: Schemas and views have been created for Release Management. Logic will be provided once defined on subsequent tasks Notes:	
Transport Development 2020	1309	Lincoln Logistics Ltd	04-Feb-20	Description: The ability to print all consignment notes for manifests has been provided Notes: This prints for all Manifests in the search so if you only want to print for one manifest you will need to filter by manifest number	
Transport Development 2020	1302	Dionysius Transport	23-Jan-20	Description: A Global Replace function has been provided for mass editing of Transport Jobs Notes: Notes on usage can be found in DocMan Please note that at this stage date fields are not accommodated but they will be in version 1.41.1	
Warehouse Development	1271	Chempro Group Ltd	09-Dec-19	Description: EDI upload now has flag that is checked if it has been clicked before Notes:	

Project	Task	Requested By	Date	Description / Notes	Page 2 of 2
Warehouse Development	1310	Lincoln Logistics Ltd	04-Feb-20	Description: When a Warehouse Order is being completed due to Transport status the Actual_Date is now being set to Todays Date Notes:	
Warehouse Development	1319	Lincoln Logistics Ltd	11-Feb-20	Description: An issue where the calculations of extended job item fields was not occurring when a Transport Job was created from the Warehouse has been overcome. Notes:
