

# TLP Systems Upgrade Report

Version: 1.49.8

Project	Task	Requested By	Date	Description / Notes	Page 1 of 1
Contract Management 2021	1597	ContainerCo	29-Sep-20	Description: Add container Type Notes:	
RJL - TLP Implementation	1535	Lincoln Logistics Ltd	04-Aug-20	Description: Setting of the actual shipment date of warehouse orders when run from setting of manifest to In Progress has been changed to use the manifest date instead of the current date. Notes: This task has been left to the Customer to test as this is site specific functionality	
Transport 2021	1593	TDL Group Ltd	25-Sep-20	Description: If the LFD on a Voyage is now changed it can automatically update all Import Jobs related to that Voyage Notes: Documentation on this is available in DocMan	
Transport 2021	1594	TDL Group Ltd	25-Sep-20	Description: The Job_Type schema now has a new field called Import Notes: This field is checked by updates of FCL Job Availability Dates based upon Voyage data. All Job Types that are of an Import nature should have this field ticked.	
Transport 2021	1595	TDL Group Ltd	25-Sep-20	Description: A button has been provided on the Trip Planning screens that enables mass removal of unallocated jobs from the selected Trips Notes:	
Transport 2021	1599	TDL Group Ltd	29-Sep-20	Description: The facility to create a Container Shipment has been released Notes: The button to create a shipment has been applied to the standard view TN_Cont_Job_Detail1 only. It will be necessary to manually apply to any site specific views. Documentation on this is in DocMan	
Transport 2021	1601	TDL Group Ltd	30-Sep-20	Description: You can now select what Work Types will invoke Address Matching when being allocated. Previously this only happened with Line Haul Notes:	
Warehouse 2021	1603		06-Oct-20	Description: Warehouse Transfers now integrate with Transport for charging purposes Notes: To invoke this facility a record must be set up in Global_Parameters.Create_Job with both Transfer and Inward ticked. Transport Job(s) will be created as part of the Inwards Docket only	
Warehouse 2021	1604	Lincoln Logistics Ltd	07-Oct-20	Description: An Expiry Date has been added to the Warehouse Storage Card Notes: It will be necessary to apply expiry dates to all existing storage cards if this feature is to be used The standard Storage Calculations search will filter out all expired storage cards.
